Dear [NAME],

For over 40 years, I have dedicated my life and professional career to educating Mercy College students. Some of my fondest memories at Mercy have been in the classroom where I was able to teach so many bright and hardworking students and watch firsthand as they achieved their dreams of a career in accounting. These memories fill me with such extraordinary pride for this program and its more than 2,100 accounting graduates who have made a difference in their own lives, their families' lives and in their communities. These fond memories of my students and colleagues are something that I hold in my heart and will always cherish!

Upon my recent retirement, Mercy College generously created a scholarship in recognition of my more than 40 years of service to the Mercy College community. I was humbled by this honor and wanted to establish a meaningful way to help current and future students become educated for a career in accounting by creating an accounting scholarship matching challenge.

**For every dollar that is contributed to this scholarship fund, I will match, dollar for dollar, up to \$25,000, donations received through June 30, 2022. If you are charitably inclined, please consider making a contribution so that future students can be afforded an opportunity to enter a rewarding profession and career. Just think about the impact that we can make together!**

- This scholarship will be awarded to eligible students enrolled in the "4+1" B.S./M.S. Accounting program.
- Your generosity will help support and encourage students to complete their degree and embark on a life changing career.
- Gifts of any size can make a huge impact.
