RE: Your 50th Reunion Newsletter: almost time to celebrate & eternal glory - IMPORTANT UPDATE  
Friday, May 6, 2022 6:18:00 PM

Dear Class of 1972,

Keeping you all in the loop about your awards standings because a lot has happened in the last 48 hours...As you know it has been a heated race between you and the Class of 1977 for the **Fund for Tufts Medicine Award** and your lead is now only by \$2,287! It's strong but not unbeatable. There is only a few hours left in this race and you, celebrating your 50<sup>th</sup> reunion, **DESERVE** this award. Put distance between you and the Class of 1977 and consider a gift to make your lead solid.

Because of your generosity and spirit of competition, you also deserve to win the **Reunion Class Participation Award**. You've already made a gift this year so you're already counted, but if just 5 more of your classmates make a gift the Class of 1972 will take first place.

Here's how you can help secure victory for your class: **let me know what your plans are so we can make sure your gift is counted in the final total**. Then you can visit: <https://go.tufts.edu/tusmclassgift> to make your gift online or if you're interested in making your gift via other means contact me directly ([lindsay.nordstrom@tufts.edu](mailto:lindsay.nordstrom@tufts.edu), 617-636-0461).

Best wishes for an amazing reunion celebration this weekend for those of you who will be joining us in Boston for the event and to the rest, you will be missed!

Warmly,  
Lindsay

**Importance:** High

Dear Class of 1972,

Due to the incredible generosity of your class over the course of this fiscal year M72 has been solidly in 1<sup>st</sup> place for the **Fund for Tufts Medicine Award**, HOWEVER, the class of 1977 has also been incredibly generous this year. And as it turns out, really wants to take this award away from you. As it stands, the gap between 1<sup>st</sup> and 2<sup>nd</sup> place has been reduced to a razor thin margin. What does this mean? Well it means that because of recent gifts and pledges made by members of the class of 1977, you are now in 2<sup>nd</sup> place, BUT less than \$3,000 away from stealing it back. Here are the current standings:

### Fund for Tufts Medicine Award (as of 4/28/2022)

Class Rank	Class Year	Amount
1	1972	\$103,949
2	1977	<del>\$102,620</del>
3	1987	\$32,525

So, how can your class secure your victory? Well that part is easy, if you haven't made your class gift to the annual fund yet, do so ASAP (<https://go.tufts.edu/tusmclassgift>). If you're interested in making a gift via check, DAF, etc., please see the attached PDF with all of the ways to make your gift, but also **let me know what your plans are so we can make sure your gift is counted in the final total**. The awards are finalized on **Saturday, May 7** right before your class dinner. If you have any questions or need help making your gift, please contact me directly ([lindsay.nordstrom@tufts.edu](mailto:lindsay.nordstrom@tufts.edu), 617-636-0461).

Thank you for your generosity and all you do for the next generation of Tufts physicians (which you know more than most, means something special)!

Sincerely,  
Lindsay

P.S. Do you want to be there for the big reveal and haven't registered for Reunion Weekend, May 6-7 yet? Visit <https://go.tufts.edu/tusmreunion2022> to register ASAP!

# REUNION

## TUFTS MEDICINE

MAY 6-7, 2022

### YOUR UPCOMING REUNION

*DID YOU KNOW?* Your reunion is less than 2 weeks away!

Tick Tock! Reunion Weekend 2022 in Boston on May 6 & 7 will be here before we know it. You aren't going to want to miss it, go to <https://medicine.tufts.edu/reunion> to register ASAP. Events include a Friday night reception at Harpoon Brewery, a series of talks from TUSM leadership and researchers on Saturday morning, culminating with class photos & dinners at the Four Seasons that evening.

Your reunion year is a special opportunity to make an impact at Tufts through giving. It's also an occasion for a little competition and a taste of eternal glory—the four Reunion Class Giving Awards will be presented to the classes that make the biggest impact through generosity and participation. Don't miss this opportunity to lead your class to victory and make your 50th reunion even more special. Here are a few of the different ways and opportunities for you to be counted in your class gift:

- **Reunion Term Scholarships are a meaningful giving opportunity exclusively available to you during your reunion year.** This is a named scholarship that provides direct support to medical students with financial need. The gift amount is determined by your reunion milestone and is pledged over five years. For you, the total gift would be \$50,000 (\$10,000/year for five years). Your gifts will provide a partial tuition scholarship and you will receive annual reports that introduce you to your student recipient and illustrate the impact you have had on their medical education. Additionally, the entirety of your pledge will count towards your class gift and towards the Reunion Class Giving Awards. For more information, contact Lindsay Nordstrom (617-636-0461 or [lindsay.nordstrom@tufts.edu](mailto:lindsay.nordstrom@tufts.edu)).
- The attached PDF provides you several creative ways you can make a reunion gift.
