You're invited to Reunion Weekend 2022 in Boston on May 6-7. Reconnect with your classmates in person all while attending some great events like a reception at Harpoon Brewery, a series of talks from TUSM leadership & researchers, and—of course—class photos & dinners at the Four Seasons.

You can register via the QR code or going to go.tufts.edu/tusmreunion2022.

I am looking forward to reconnecting with my whole class, but would especially like to be in touch with:
