

# STUDENTS 4 STUDENTS FUNDRAISER

Hello all! My name is Ms. Hill and I am the Manager of Events and Volunteers and I am your go to person for S4S

You can find me in the Advancement Office which is down the hall from the commons on your way to the front office

# What is Students4Students?

So what is Students4Students?

Students4Students is a peer to peer fundraiser where current students learn how to raise money for the student body.

Unlike elementary or middle school fundraisers, we don't sell a product. We just ask for people to donate towards the fundraiser.

This means that you will be asking friends and family to donate towards Students4Students.

# Why does S4S matter?

Why does S4S matter?

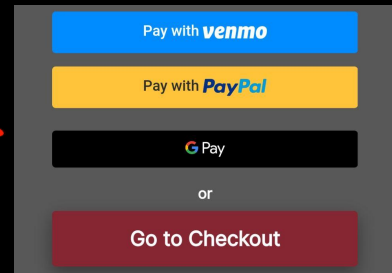

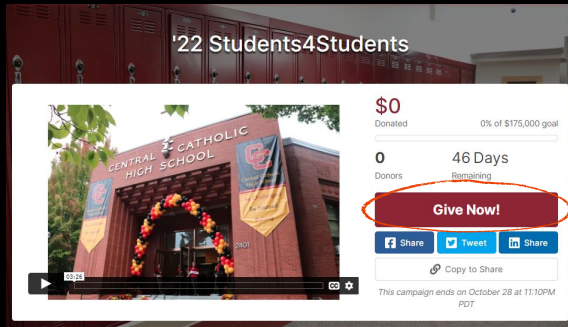

Students4Students funds two main areas:

1. Our tuition assistance program which supports over 50 percent of our student body
2. It also supports our Extra Curricular and Co-curricular programs like our dances, clubs, sports, and basically any other student activity!

Students4Students is exactly what the name says.

Students raising money for students! Every student is asked to raise a minimum of \$150

# How can people donate?

How can people donate?

We use an online platform called GiveCampus! It is our 4th year using it!

You can ask someone to donate by...

Texting

Emailing

Calling

They can donate via...

Venmo

PayPal

Google Pay

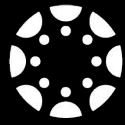

Apple Pay

Credit Card

Or by dropping off or mailing a check

All students have been added to the giving form. All you have to do is ask your donor to select your name as the student fundraiser for it to count towards your goal
