---

Hi Biby,

To celebrate the start of our senior year, Seniors for The Stanford Fund will be offering professional headshots on October 3rd to the first 25 seniors who make their first gift through The Stanford Fund!

Follow the steps below to secure your spot:

1. **Make your gift of \$20.23, \$2.23, or any amount on [Venmo](#) ([@SeniorsfortheStanfordFund](#)) and indicate in the comments which area of The Stanford Fund you'd like to support.**
2. **Sign Up for your professional headshot below.**

[Professional Headshots for Email.png](#)

Remember, you can [give to the area of your choice through The Stanford Fund](#) at any time. Making a small donation to support financial aid, mental health resources, or community centers is a great way to ensure future classes have the resources they need to succeed.

We hope to see you next week for your professional headshot!

Thanks,

Seniors for The Stanford Fund Committee

P.S. Didn't make your gift in time to get a headshot? No need to panic. We'll be offering headshots at the beginning of every quarter.
