**Make Your Gift‡**

## You do more than care for patients. #

You are an advocate and a teacher; **rooted in strength and forged in fire.** #

In honor of National Nurses Week, please join us in recognizing a nursing colleague, mentor or friend by [making a tribute gift](#) in their honor to our Nurses Lifelong Learning Fund. It's a simple way to show your appreciation for your nursing colleagues while enhancing their educational opportunities! #

Your honoree will receive a notecard that includes your comments and mentions you made a gift in his or her honor – your gift amount will not be disclosed. #

If you prefer not to be contacted by University of Missouri Health Care for future fundraising requests, please call (573) 882-0697 or [send email](#). #
