Faculty & Staff Campaign

The One GW Faculty & Staff Campaign encourages all George Washington University employees to support GW's programs and initiatives.

[Give Through Payroll Deduction \(/give-through-payroll-deduction\)](#)

Every August, thousands of students return to GW, reminding us why we should support our university. As faculty and staff, we have the opportunity to see firsthand how philanthropy impacts students. With the ability to direct your donation to your department, the President's Fund for Excellence, or to hundreds of other programs on campus, you can make a difference in the area that's most meaningful to you. Please consider making an online gift, payroll deduction, or electing to allocate 1% of your salary to a philanthropic fund of your choice.

For more information about making a gift or setting up a payroll deduction, please contact GW Annual Giving at 202-994-6435 or [giving@gwu.edu \(mailto:giving@gwu.edu\)](mailto:giving@gwu.edu).
