Dear <First > <Sp First>,

Like you, we are proud parents of Holy Ghost Prep students. We made the sacrifice to put our son(s) education as one of our highest priorities and entrusted Holy Ghost with their academics and assisting in developing them into caring, confident, and spiritually driven young men. Whether your son(s) have been here for 4 years or just starting out as a freshman, we are now all part of the same community and are stronger when we come together.

Though the paths of each Holy Ghost Prep student is unique, one thing that will always unite them is their experience of living out the Spiritan Mission; carrying that sense of compassion and desire to help others throughout their lives.

We recognize just how fortunate our sons truly are for being able to take advantage of all that Holy Ghost has to offer, and we hope all deserving students have the same opportunities that they have.

Today, we invite you to join us in supporting the **Holy Ghost Fund**. Your generosity will provide Holy Ghost with the ability to retain the highest caliber faculty, offer the most cutting-edge programming, and provide deserving students with a life changing opportunity in becoming a Firebird. In addition, your support will increase the school's ability to offer need-based financial aid which is a critical need in these current times.

We thank you in advance for your generosity and remember to **#ThinkGhost**.
