Email #5: Challenge Announcement, Food Pantry Challenge

Signer: USF Food Pantry, student who uses the food pantry, or Kahanu Salavea

Subject Line: The USF Food Pantry Needs your Support

Preview Text: Day of the Dons

Dear #FirstName,

Today is Day of the Dons, a day of giving that reminds us of the power of our community as we rise (locally and globally) to support current and future generations of students to ensure they have the resources they need to succeed.

Since 2018, The USF Food Pantry has provided an intermediate solution for undergraduate and graduate students experiencing food insecurity. The pantry has helped 3,725 students to date — and counting!

Today you have a special invitation to help support this important student resource. When X donors make a gift to the Food Pantry today, an additional \$5,000 match from the Alumni Council will be awarded to the Food Pantry.

The awe-inspiring impact that the pantry has made on our campus is thanks to our incredible USF members coming together to create solutions on how to combat food insecurity.

The students that access our program frequently share how appreciative they are in being able to access basic need resources in a non-judgemental space where someone does not feel ashamed for seeking support.

We hope you'll join us by making your own gift today.

Your gift today not only helps provide food for students, it's a complete nourishment of mind, body, and soul as food is what brings us together. We are forever grateful.

Sincerely,

Kahanu Salavea
Program Assistant
Office of Community Living

P.S. Help unlock a \$5,000 match for the USF Food Pantry. Be one of X Dons to make your gift before Day of the Dons ends tonight at midnight!
