

Celebrate overseas programs today for [#LCDayofGiving](#)!

Studying abroad is an experience that is impossible to replicate in a traditional classroom. The sights, sounds, smells, language, culture, food, history, lessons, friendships, and memories all last a lifetime.

At Lewis & Clark, we want to make that experience accessible to anyone who seeks it.

{{Person-Primary-Salutation}}, when you [support overseas programs on Day of Giving](#), you create opportunities for students to immerse themselves in rich cultural experiences, and to learn and grow as global citizens and thinkers.

We've already unlocked the first \$75,000, and with 260 more donors, we'll unlock the next \$50,000!

[Give Now](#)

Please help give that opportunity to the next generation of LC students. Designate your [#LCDayofGiving](#) gift to overseas study, and you give LC students the world!
