«**FirstName**», you can be part of something special this spring.

Join the Young Friends of Tufts Advancement at one of their signature events in your area—or help support your fellow Jumbos—when you Light the Hill with us!

Light the Hill is a chance for alumni like you to connect with the Tufts community through exciting events, matching gift challenges, and more. It's also a perfect time to support what you're most passionate about at Tufts. Whether it's financial aid; diversity, equity, inclusion, and justice; clubs and activities; or something else—your gift will brighten Tufts students' experiences today.

Match Alert: An anonymous donor will give \$50 for every young alumni donor to Tufts—up to 400 donors!
