UC Berkeley celebrates and embraces inclusion and diversity as critical drivers to our distinctive excellence. To be a truly welcoming and inclusive community takes engaged action from all of us.

As a public university, we are committed to keeping Berkeley accessible to the broadest spectrum of the brightest students ... building a student body as diverse in background and perspective as California itself.

[Take a look at these special projects](#) that make the conditions possible for all students to succeed and be valued — and see the impact you can have.
