

\$100

Alumni Challenge

For the first 400 alumni donors giving \$20 or more, a generous benefactor has offered to give an additional \$100, up to a total of \$40,000. Please note: \$100 will be given to the same fund as the original gift after the Giving Day has ended, and will not be reflected in department totals on the site. If a donor gives to multiple funds, \$100 will be divided evenly to each. On the final step, check yes if you or your spouse graduated from FUS.
