Dear ((Salutation)),

Your annual support as a member of the Conwell Society has made a profound difference at Temple University. Thank you!

As an annual donor, you help keep Temple strong. You provide opportunities for student Owls in and out of the classroom, allowing them to experience the best education possible. With your support, student's lives are changed at Temple.

((Salutation)), today it's time to renew your Conwell Society membership on the anniversary of your last, generous gift. A contribution of ((ASK1)) will go far to advance our mission. If you're able to increase your support this year with a gift of ((ASK2)) or even ((ASK3)), you'll help fund the amazing growth happening now at this great university.

Temple now serves 37,000 students at eight campuses. We're growing as a top research university, building state-of-the-art buildings and rising in academic rankings. Best of all, we're graduating more #TempleMade professionals than ever—individuals who are ready and determined to make an impact in the community and around the world.

As an integral part of the Temple community, this is our moment to take pride in the great strides we're making together!

Your generous gift is critical to fund the scholarships, programs and resources that keep a Temple education accessible to all who have the desire and determination to learn here.

I know you're proud to be part of the Temple University family and inspired to help today's Temple students. Please renew your Conwell Society Membership today.

With gratitude,

Molly Clark Davis
