

GIVING TUESDAY

Dear LWHS Alumni,

Today is **#GivingTuesday**, a day when the world comes together to show kindness and generosity to support the communities and causes that are important to them. As you reflect upon the organizations that have positively impacted your life, we hope that Lick-Wilmerding High School comes to mind.

On **#GivingTuesday**, LWHS asks every member of its community to contribute to the Annual Fund. This year, alumni may choose to donate to one of two critical programs, Flexible Tuition or Area of Greatest Need.

Flexible Tuition

LWHS employs a model called Flexible Tuition in order to make the school more affordable and accessible to families all over the Bay Area. Currently a large portion of the school's operating budget (28%) goes toward the Flexible Tuition program, giving 35% of the current students access to the incredible curriculum at LWHS.

Area of Greatest Need

Donating to Area of Greatest Need gives the school the financial flexibility to tackle its most pressing issues. It not only empowers LWHS to endure this challenging time, but also provides the stability to face the inevitable and variable challenges ahead. Know that your gift, regardless of the amount, makes a difference in countless ways over 365 days.

Plus, any alumnus/a who makes a one-time gift of \$50 or more to the Annual Fund on #GivingTuesday and throughout December will receive a limited edition LWHS beanie!

Thank you for your support and Go Tigers!

Fundraising Committee of the Alumni Board

Why do we give?

*I give for Flexible Tuition. This is integral for me because that is how I was able to go to LWHS, and I see and know the value of that experience. In my professional life, I work as a Director of Enrollment at an independent school where I have a deep commitment to creating socioeconomic diversity. I see this work directly tied to my experiences at LWHS. - **Kristina***

*It's all about the students! Lick wouldn't be the superb environment it is without its inspiring student body. The opportunities that I had at Lick opened my eyes to so many possibilities thanks to Flexible Tuition. - **Becca***

*The robust and well-rounded education I received at Lick gave me the confidence to face the many obstacles of life. From the Shop skills I've used to improve my home, to the strong math curriculum that launched my career into finance, I know much credit is owed to my time at Lick. I support Area of Greatest Need to ensure the school has funding for whatever it needs to continue to provide such a robust curriculum. - **Marissa***

*I donate to Flexible Tuition, to help Lick remain accessible to as many students as possible. - **Sarah***
