

Hello <constituent name>,

This is <caller name>, a student from Fort Hays State. We are in full swing of our 44th annual Tiger Call program! During Tiger Call, students contact FHSU alumni and friends to update contact information, talk about their experiences at FHSU, and discuss student support. This year Tiger Callers have a high, but achievable, goal of raising \$300,000 to go towards building a brighter future for our students.

Since we do not have a phone number on file for you we did not want you to miss out, so we are reaching out via email. Every gift truly matters. We raise roughly \$300,000 in gifts less than \$100 almost every year! I would not be where I am today if not for the scholarships and support I received that are made possible because of donors like yourself.

Our mission depends on your support. Making a gift today means an education, a strong university, lives changed, and dreams made true tomorrow. You can make a gift by: Designating your gift to the area of FHSU that means the most to you at: <https://foundation.fhsu.edu/tiger-call/>

Sincerely,

Tiger Caller
