

WE HAVE MISSED YOU.
JOIN US IN PURSUIT OF YOUR CURE.

Dear NAME,

Every discovery begins with a single idea. At Sylvester Comprehensive Cancer Center, ideas are leading to significant breakthroughs daily. Our world-class physicians, faculty and researchers are pioneering innovations that help us live longer, healthier lives.

Through private support, Sylvester continues advancing cancer treatment and providing outstanding care. Your gift allows seed funding for researchers to pursue new, less invasive and more effective avenues for treatment. A single donation provides a ripple effect of new hope to patients and their families. **Will you join us in our mission and renew your gift today? Annual support ensures that physicians and researchers have access to cutting-edge technology, the ability to recruit team members and the lab space needed to advance discoveries.**

As the only National Cancer Institute designated cancer center in South Florida and one of just 72 nationwide, Sylvester offers people seeking care in our region access to novel clinical trials and lifesaving treatments. Because of our teamwork, commitment to excellence and strong community support, Sylvester has secured a position as the only facility in South Florida on *U.S. News & World Report's* Best Hospitals for Cancer list. Private support has fueled Sylvester's progress. As we continue to evolve as a cancer center, your contribution is more critical than ever. Your annual support drives innovation, turning that single idea into the next great discovery.

Please join us in our relentless pursuit of a cure. Your gift today will continue to create a healthier community tomorrow.

If you have any questions or no longer wish to receive further fundraising communications from the University of Miami Medical Programs/UHealth System, please contact the Office of Philanthropic Giving at UHealthGiving@med.miami.edu.

WE'VE MISSED YOU.

And we want to take the chance to tell you that giving annually is critical. When you make a gift every year, your support funds research, programs and infrastructure that will help Sylvester Comprehensive Cancer Center continue to advance cancer treatment and provide world-class cancer care.

Thank you for your past support.

Please join us this year by giving to an area that means the most to you.

"I ASK YOU TO MAKE A GIFT TO SYLVESTER TODAY SO THAT WE CAN CONTINUE TO BE A BEACON OF HOPE TO OUR PATIENTS AND THE COMMUNITY AS WE STRIVE TO ENSURE PERSONALIZED CARE AND LIFESAVING THERAPIES."

STEPHEN D. NIMER, M.D.

DIRECTOR, SYLVESTER COMPREHENSIVE CANCER CENTER
