Greetings from the coast!

Allow me to be among the first to welcome you into our Seahawk family. This is a new and exciting time for both you and your student; we are thrilled to celebrate alongside you.

We are grateful your student chose UNC Wilmington to be home for their education. The next few years on campus will lay the foundation for many of their future personal and professional accomplishments.

Parent involvement is key to our students' success. You can get involved and show your Seahawk pride in many ways, including joining us for upcoming events and displaying your "Proud Parent" decal. Another way parents can get involved is by making a gift to UNCW. Private support from parents like you enhance resources and create new opportunities across campus to help all Seahawks soar to their highest potential.

See how your support will continue to make UNCW a university like no other by visiting www.uncw.edu/give. Or, if you would like to make a gift, scan the QR code below.

However you choose to get involved, we look forward to seeing you and your student on campus this fall.
