## P'23 Stewardship- Mailing Note

*Thank you, <Salutation>!*

Dear <Salutation>,

Congratulations on <student's name>'s recent graduation from Fairfield University! A student's time as a Stag goes beyond the four years they spend on campus, and we look forward to welcoming <student's name> into our incredible alumni community.

We wanted to take a moment to say THANK YOU and to recognize your generosity as a donor for all four years during your student's time on campus. Your generosity has an immediate impact on current and future Stags by enhancing their education, and making more opportunities possible.

We invite you to continue to stay involved at Fairfield. Whether it is stopping by our beautiful campus while on a road trip, cheering on the Stags at an athletics game, attending an event in your area, or wearing your Fairfield gear as a proud lifetime parent around town- please know you are always a part of our Stag community.

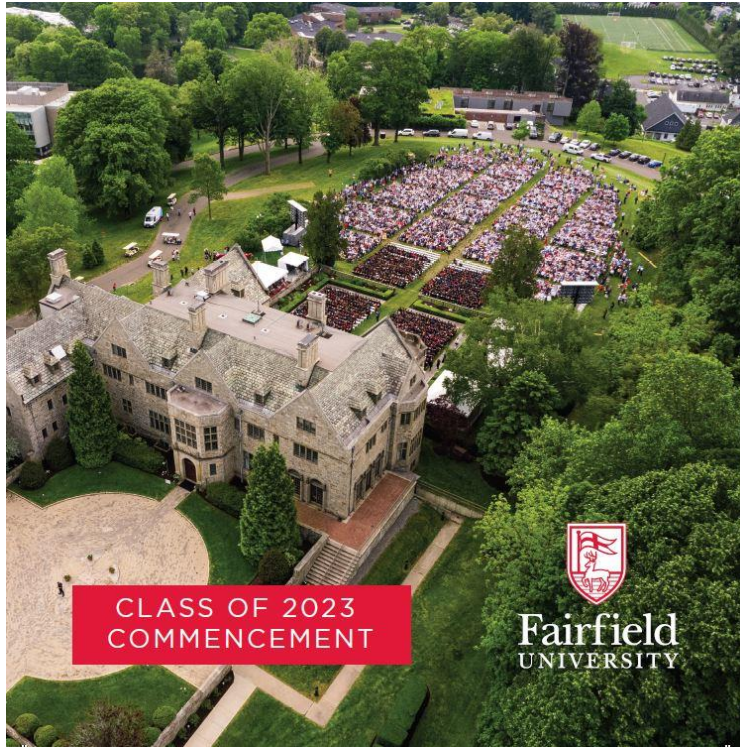

Thank you again and congratulations to your Stag family!

Sincerely,
