About: Florida Atlantic University's Giving Day will emphasize the importance of philanthropy and foster a sense of community and engagement.

Where can I donate: Log on to www.give.fau.edu/2023 to find an area to support.

How much do I give: Our suggested donation amount starts at \$5. Donation amounts are offered for your convenience, but you can also enter a custom donation under the "Other" section that is greater than \$5. Every donation makes a difference in supporting our university's mission and initiatives.
