Celeste,

**\$5 doesn't seem like much.** But when you give [\\$5 a month](#) over the course of a year, it becomes \$60 - and \$60 can make all the difference to a UO student.

- [\\$20/month](#) can purchase textbooks
- [\\$50/month](#) can help a student weather tough times
- [\\$100/month](#) can fund a student's conference travel

**When you become a monthly donor, your generosity grows over time.**

Sustain the UO by pledging a recurring gift.

### Make a monthly gift

It's easy to pledge your monthly gift to the UO cause you're passionate about. Simply click "Recurring Gift" [on the online giving form](#) when you make your gift.
