SHARE YOUR UNF MEMORIES

2022 marks UNF's 50th Anniversary – 50 years of growth, impact and memories.

Our Osprey Nation is over **100,000 alumni** strong, and we invite you to make history. To help celebrate our Golden Anniversary, flip or scroll through your photos to find your favorite UNF memory. Whether that be at your favorite place on campus, at a sporting event, with your best alumni friends, or a professor that impacted your life most, we want to hear from you!

With your gift of any size **TODAY**, you will be able to upload your photo and memory to the Thomas G. Carpenter Library Photos for the 50th Digital Archive!
