

OFFICE OF Annual Giving

Welcome to the new academic year! As you returned to classes for the start of the semester this morning, you may have heard the sound of a bell ringing across our campus. The Sisters of the Holy Cross rang the bell in recognition and celebration of members of the Madeleva Society and their generosity.

Support from the Madeleva Society allows Saint Mary's to offer scholarships, fund student research, and maintain and improve our beautiful campus. As alumnae and friends of Saint Mary's, they believe in providing you with the academic skills you'll need to succeed and help lead the world into a better tomorrow.

Class Gift Campaign

As students, you are already part of a community supporting success at Saint Mary's. Take a moment to learn more about this year's [Class Gift Campaign](#) and come to the Campaign's call-out event on September 12. Join your classmates to give back and help create a greater Saint Mary's!

About the Saint Mary's Bell

This bell, which has marked the hours for generations of Saint Mary's students, was given to the Sisters of the Holy Cross by Blessed Basil Anthony Moreau.
