### First Gift!

On behalf of the Cadets who directly benefit from your gift, we want you to know you are genuinely appreciated.

While West Point is federally funded, those dollars fall far short of meeting all the needs of the Academy. Your gift truly impacts the Corps! Thank you!

We look forward to having you as an important member of our West Point family of donors for many years to come.

# Thank you for making your **FIRST** gift to West Point.

West Point  
ASSOCIATION OF GRADUATES

Cadets experience many **firsts** during their time at the Academy that uniquely shape them into the officers that they become. Gifts to West Point support all aspects of cadet life including, academics, military, character and leadership training, cadet clubs, and athletics. **Each and every gift enhances the cadet experience!**

These programs and opportunities create the Margin of Excellence for the cadet's 47-month experience. Thank you for your support to ensure that West Point can continue to develop leaders of character prepared for a career of service to our Nation.

MARGIN OF EXCELLENCE

Gifts helped send this cadet on a summer AIAD.

This cadet is thriving in her club activities because of your gifts.
