Subject: Bowdoin Softball, what a season!

Hello from Brunswick!

We just wrapped up another great regular season and unbelievably the final one on dirt and grass on Pickard Field! New this season was a round robin schedule which allowed us to play all nine NESCAC teams for the first time in one season and now we prepare for the NESCAC Tournament! At the same time, we're also getting ready for our first Go U Bears Athletic Fund Challenge—it's an exciting time for Bowdoin Softball!

We need your help! In the coming year, we're hoping to raise funds to help transition to a new facility with items such as practice equipment. [Click here to learn more!](#)

We're hoping 30 alumni will support the program and Bowdoin athletics by making a gift by the end of tomorrow night's Student Athletic Awards program (10 p.m. ET). Bowdoin's new giving platform enables you to give to five different areas in one transaction! So, you can support the team, the Polar Bear Athletic Fund (PBAF), and other areas that matter to you.

Don't forget...your gift helps unlock funds for each varsity sport AND the PBAF through two exciting challenges. Check the page out to see who's supported us so far and our progress to goal. We can do this, team!

GO U BEARS!

Ryan Sullivan
Head Coach, Bowdoin Softball

***If this message crossed with your gift, thank you!
Please note that you will receive an increased volume of communications from Bowdoin
during the Go U Bears Athletic Fund Challenge—thank you for understanding.***
