OSU'S FACULTY AND STAFF GIVING PROGRAM

OSU LOYAL* IS A COMMUNITY dedicated to building a better future for us all. The generosity of Oregon State faculty and staff has transformed our university, created opportunities for our students, advanced research and so much more.

You and your OSU Foundation colleagues play an essential role in building the culture of philanthropy at Oregon State.

When you make gifts to OSU, your dedication sends a strong message to our university partners, alumni, parents, volunteers and broader community – all gifts matter.

The OSU Foundation's goal is that 100% of eligible Foundation employees donate to funds they are passionate about at OSU. By supporting our university initiatives, this goal is met year over year.

**OSU Foundation employee donors fondly consider themselves as "OSUF Loyal".*
