GREETINGS FROM

Catholic University

Thank you so much for giving me an opportunity to learn at a school where both academics and spiritual relationships with God have the same priority. My scholarship has allowed me to experience many new opportunities academically and socially.

PLANNING FOR THE UNIVERSITY'S FUTURE

Support from donors last year positioned the University to grow and succeed during the upcoming academic year. Together we are:

- ◆ Diversifying our undergraduate and graduate student communities.
- ◆ Increasing the University's research capacities through investment and strategic planning.
- ◆ Rebranding the University and launching a nationwide marketing campaign to increase our visibility to potential students.

Thank you ...

for leading the Catholic University community and lighting the way for our students, faculty, and alumni through your participation in the 1887 Society.

We are grateful for your philanthropic support of The Fund for Catholic University and our various other annual funds.
