- » Whether studying lifesaving cancer drugs or exploring ways to optimize software to solve real world problems, student-faculty research is a signature hands-on experience that would not be possible without **Academic Excellence** funding.
- » **Gifts to Sustainability** spur progress toward carbon neutrality while also supporting community events and programs, such as Drive Green, Eco Reps, the Native Plant Restoration Coalition and the Organic Garden.

Make a difference now! All gifts made to The Whitman Fund and varsity athletics are used to support current students and campus needs. We believe that a Whitman education will open doors throughout life.

Won't you help us open more doors for today's students?

Your gift will *open doors* to opportunities at Whitman for our talented students.

- » So many Whitman students benefit from gifts to **scholarship and student aid**—92% receive funds—providing access to an incredible academic experience.
- » Last summer, **Whitman Internship Grants** provided more than 90 students with hands-on career experience in organizations around the world.
- » **Gifts to Diversity, Equity and Inclusion** provided funds for 80 first-year students to embark on their college journey through Whitman's Summer Fly-In—an on-campus program for students who are first in their families to attend college or from marginalized communities.

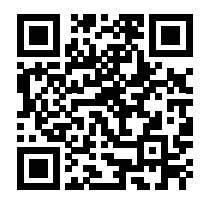

To Make Your Gift

By check: Make your check payable to Whitman College and send it along with this form in the envelope enclosed.

Online: Give quickly, easily and securely with your credit card at give.whitman.edu.

By phone: Call us at 509-527-5189.

Gifts will be credited equally with an alumni spouse/partner. Please join us again this year with a gift before June 30, 2025.
