About

Lucky YOU!

As we approach the halfway mark to St. Patrick's Day, we're feeling the luck of the Irish and want to share it with you. 🍀🍀

To celebrate, we've launched a special summer giving campaign, and we've got an exciting incentive just for you. Your donations directly support the college's mission and initiatives, making a tangible difference in the lives of our students.

With a minimum gift of \$30 to the designation of your choice, you'll receive an exclusive, limited-edition Saint A's Shamrock t-shirt, perfect for showing off both your Anselmian and Irish pride.

This special t-shirt highlights our community's shared values and traditions, celebrating the shamrock as a symbol of both Catholic faith and Irish heritage. St. Patrick famously used the shamrock to explain the Holy Trinity, showing how its three leaves represent the Father, Son, and Holy Spirit as one God.

Halfway to St. Patrick's Day is on September 17. Don't miss out! Make your gift by August 24 to ensure you receive your shirt in time to wear it proudly on September 17.
