MORAVIAN UNIVERSITY

At Moravian University, our students exemplify dedication and resilience.

Many are first-generation college students, passionately engaged on campus and within their communities. They take on internships, compete in sports, and thrive through hands-on, experiential learning, collaboration, and self-reflection—all in preparation for lives of transformative leadership.

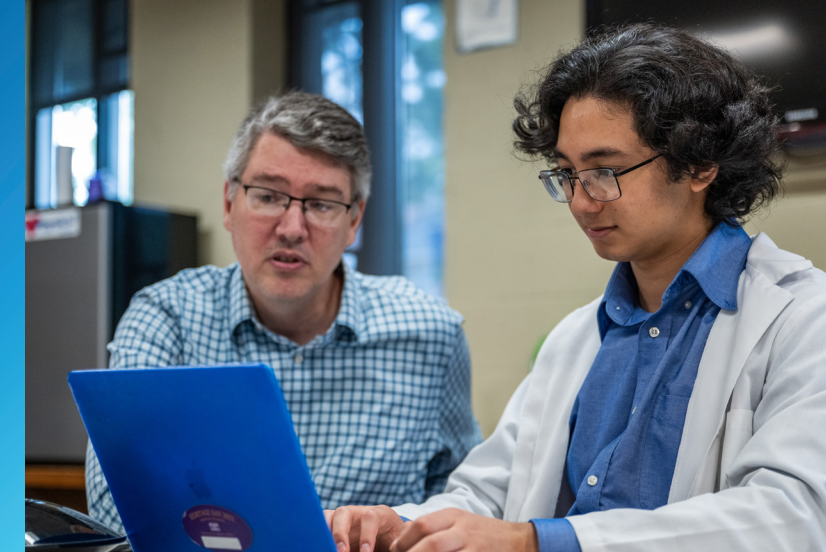

During this season of giving and gratitude, we celebrate the incredible impact of our students. **Through their leadership and commitment, they're shaping a brighter future for themselves, our university, and our community.** This year alone, our students have spearheaded initiatives that make a real difference, from testing for microplastics in our environment and volunteering in local schools, to studying in the United Kingdom and representing Moravian abroad.

**Your past support has put our students' dreams and aspirations within reach.**

Every year, **99%** of our students rely on financial assistance to attend Moravian.

Last year, **1,879** students received **\$2.1 million** in scholarship aid.

**Will you support our students again this year?**

**The Moravian Scholarship Fund remains our highest priority,** directly easing financial burdens so our students can focus on their education and immerse themselves in the Moravian experience. However, your gift to any area of Moravian makes a meaningful difference.

We are so grateful for your past support. **Give your tax-deductible gift before the year ends on Tuesday, December 31** using the enclosed envelope or by visiting **[moravian.edu/MU24cye2](https://moravian.edu/MU24cye2)** to help Moravian connect every student with the resources they need to succeed. Every gift—no matter the size—empowers them to make a difference in the classroom, in their communities, and in the world. You are lighting the way for their future!
