September 2024

Dear <<salutation>>,

As I reflect on the transformative impact of a Lewis & Clark education, I am reminded of the crucial role that our community plays in shaping the student experience. Today, I invite you to consider joining us as a Parents Fund Ambassador—an opportunity to make a profound difference in the lives of all of our students, including your own.

Parents Fund Ambassadors make a commitment to contribute \$5,000 per year while their student is with us. This extraordinary support enhances our academic programs, empowers student opportunities, fosters creative expression, and builds a stronger community.

Your pledge as a Parents Fund Ambassador goes beyond a financial contribution; it signifies your belief in the power of education to shape future leaders and change-makers.

Your support will enable us to continue pushing the boundaries of knowledge through innovative academic initiatives, preparing students for successful careers through internships and experiential learning, and enriching our campus community through arts and cultural initiatives. Every dollar directly impacts the educational journey of all students on campus, ensuring that they have access to the resources and support they need to thrive.

Please invest in Lewis & Clark by becoming a Parents Fund Ambassador today to benefit your student now and create a legacy for others to come.

Warm regards,

Robin H. Holmes-Sullivan, Ph.D
President

PS: Your pledge of \$5,000 per year will truly transform the life of not only your student, but all those who come to Lewis & Clark after them. Please give today!
