Dear Howard,

Every year during 414 for UWM Giving Days, we are reminded of the great impact we have at UWM. As employees, each of us contributes to the overall success of Panthers worldwide. And now, more than ever before, our support is vital to continuing that success. I invite you to join me by making a gift to the UWM Foundation to your favorite area of campus. Showing our collective support of UWM creates a ripple effect for donors, alumni and our communities.

When you give the gift of UWM, you provide vital resources that help students thrive. You're paving a smoother path for students to graduate and researchers to impact the world. In short, you're making a choice to reinvest in UWM students.

The gift of UWM is powerful – limitless in impact and full of Panther Pride. Mark your calendars for April 14 and 15 to be part of this essential effort or consider making a gift early to get the momentum going!
