Dear Lee,

Thank you for giving to The Westminster Fund annually for the past 5 years straight!

We hope that you will maintain the Martlet that accompanies your name in the Annual Report by **making a gift to The Westminster Fund by June 30**. Your Martlet is a symbol of incredible loyalty to Westminster School, for which we are truly grateful.

To make a gift and maintain your Martlet this year, please [click here](#), Venmo [@WestminsterSchoolCT](#), or mail a check to the address in my signature.

Your support makes a difference in the lives of students and faculty on Williams Hill every day. Thank you.

With Grit, Grace and Gratitude,
Katherine
