SUPPORTING STUDENTS

Dear **informal salutation**,

You **have helped/can help** unlock a world of discovery for students like me.

When I arrived at Luther, I thought I had to know exactly what I wanted to do. What I didn't expect was how quickly Luther would challenge me to look deeper, ask bigger questions, and follow my curiosity into unexpected places.

That's the beauty of a Luther education. Through the support of donors like you, I had the freedom to explore—and that made all the difference. **Gifts to the Luther Fund have given me so many opportunities:**

- Storm Bailey's Ethics class challenged me to wrestle with complex questions.
- I found brotherhood through the Tri-Omega fraternity.
- Luther's VPA awakened my passion for video production.
- I gained hands-on experience as a Press and Administrative Intern in the U.S. Senate in Washington, D.C.
- I studied peace and conflict in Ireland and Northern Ireland, and learned how to facilitate transformative dialogue as a Peace Scholar in Norway.

Each experience helped me grow. Each one helped me imagine a future I couldn't have seen before.

Now, as I begin my senior year, I see a path forward as a political commentator—someone who fosters real dialogue, not just debate. I owe that clarity, in no small part, to the opportunities your gifts **make/have made** possible.

Please consider making a gift to the Luther Fund today. Every dollar goes directly to supporting students like me—curious, determined, and eager to make a difference. You can give securely online at givenow.luther.edu, or use the enclosed pledge form.

Thank you for believing in the power of exploration—and in the potential of students like me.

With Gratitude,

P.S. Even **[M1]** a month makes a real difference. Monthly gifts add up to a big impact for students like me—and they're one of the easiest ways to give back.

“I'm able to be at Luther—to learn and explore the world—because of donors like you. Thank you.”
