

Support Wingate Women's Basketball on Our Journey to Hawaii!

Dear (NAME),

To help us achieve our fundraising goals this season, the Wingate women's basketball players decided to help make this year's campaign an even bigger success than last year. We were each asked to create a personal fundraising page to send out to close friends and family, so I hope you don't mind if you made my list!

My goal with this fundraiser is to help raise money for our planned trip to Hawaii in November. All the funds raised will go directly to our overall team campaign of raising \$30,000 and my goal is to raise enough money to pay for our team's airfare, hotel costs, and planned expenses.

Any donation, regardless of the amount will definitely help. I'll keep you posted on our progress and can't wait to tell you about my season and my trip. Thanks for everything!

We're almost to goal — help us finish strong!

Tue, Oct 28, 2025 at 3:59 PM

Dear (NAME),

We're in the final week of our Women's Basketball fundraising campaign, and we're 87% of the way to our \$30,000 goal!

Every dollar we raise helps make our November trip to Hawaii possible by covering airfare, hotel costs, and team expenses. This trip means so much to us. Not only as a chance to grow closer as a team, but also to represent Wingate on a national stage.

If you've already made a gift, thank you for supporting me and our team. If you haven't had a chance yet, there's still time to help us reach our goal. Every gift, no

matter the amount, truly makes a difference.

Thank you again for believing in us. I can't wait to share stories from our trip and this season with you.

Go Bulldogs,

Re: Help Send Wingate Women's Basketball to Hawaii this Season

Fri, Oct 10, 2025 at 1:36 PM

NAME,

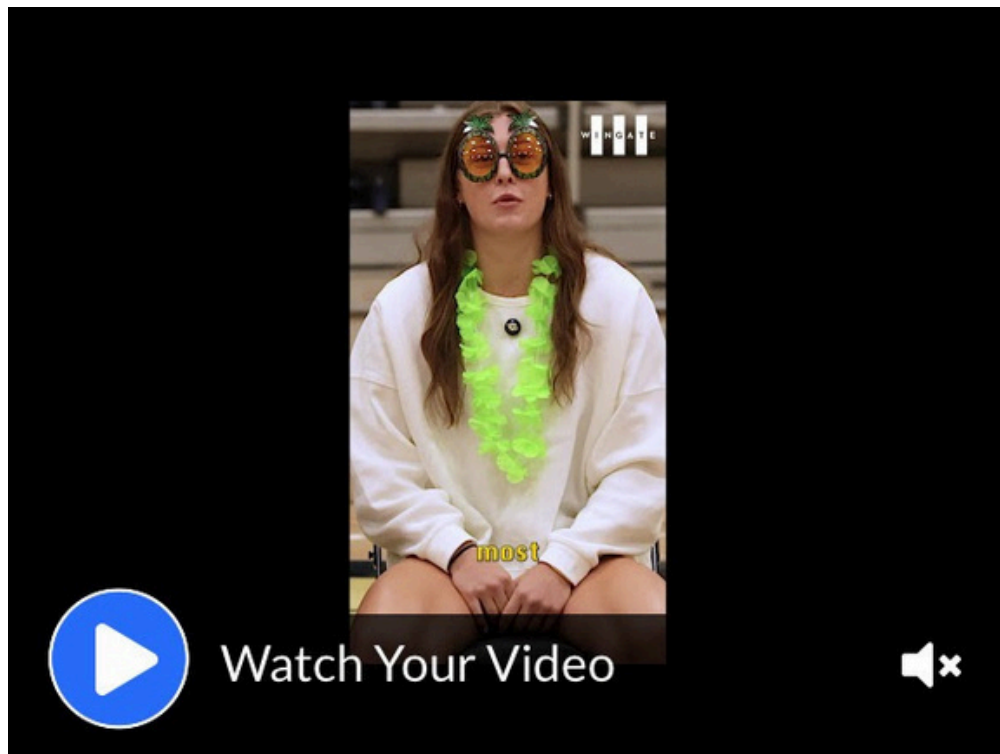

As the Head Coach of the Wingate University women's basketball program, I am very excited about the upcoming 2025-26 season. Our players and staff have passion for what we do and we are surrounded by great people in the Bulldog Family. The Wingate University women's basketball team has built a tradition of success in the classroom and on the court. Just as important as our success on the court, is the standard we set away from the court. A major part of meeting those standards involves the development of our players in a way that prepares them for life away from and after basketball. This is a top priority in our program and it always will be. In November of 2025, we are planning a team trip to Hawaii. This trip will afford our players the opportunity to not only play against new competition, but also to experience the Hawaiian culture, see historical sites and try new foods.

The goals we hope to accomplish as players, coaches, and as a program require vision, commitment and resources. Our goal is to

raise enough money to cover the team's airfare, hotels, meals and other travel-related expenses. This endeavor takes the efforts of everyone involved, and the resources needed are considerable. The vast majority of our program's funding continues to come from the players, their parents, and the support and generosity from within the Bulldog community. This supporting cast is a critical part of the success of our program. My staff and I personally thank everyone for your continued support of our program. We hope you will consider donating to this worthy cause, and we invite each of you to a game this year.

Thank you for supporting Wingate University Women's Basketball.
