BE A SUPERHERO

Many of you have told us that your Stockton experience was shaped by the heroes who inspired and supported you throughout your college career. Whether a professor, coach, or roommate – this is your chance to honor your Stockton superhero!

Make a gift in honor of your superhero and we'll post your tribute for all to celebrate. Your gift will support today's Ospreys, making you their superhero.

In celebration of Stockton's 50th Anniversary, the first 50 alumni to make a \$5/month recurring gift* or a one-time gift of \$50 or more, will receive a Stockton 3-in-1 charging cable with phone stand to stay supercharged.

Visit stockton.edu/superhero or scan the QR code to honor and be a superhero today. Online giving is easy and secure by credit card or digital wallet.
