CSUSB

The unique and personalized opportunities at Cal State San Bernardino provide students with the life experiences and education to take on the toughest challenges.

Giving to the Coyote Impact Fund is a meaningful way to make a difference in the lives of all students. Gifts of any size benefit every student by providing the immediate, flexible resource of unrestricted dollars that can be applied to areas of critical need. As the needs of students change, the annual support from donors like you ensures that CSUSB can adapt year over year.

Your past generosity has helped us meet the ever-changing needs of our campus and students, and today, your continued support means more than ever.

Help transform the lives of students by making a gift at www.csusb.edu/makeagift.
