

“Something that’s really unique about the Luther chemistry program is the amount of instruments we got time on. When I was applying to grad schools, I made sure to highlight that. And even now, having had the Instrumental Methods Lab really helped me figure out the instruments that I’ve been using in this work.”

—Emily Frett ‘22,
a grad student in the Department of Ocean and Earth Sciences at Old Dominion University in Norfolk, Va.

If your gift and this mailing have crossed paths, please accept our gratitude for supporting Luther students!

The Association for the Advancement of Sustainability in Higher Education (AASHE) named Luther College **THE FOURTH BEST BACCALAUREATE INSTITUTION WORLDWIDE** for its efforts in sustainability.

Together,

we can commit to big things.

72%

reduction in Luther's carbon footprint since our peak in 2003

90,000 lbs

of food donated to local area food pantries in the past ten years through the volunteer *Caf to Community Program*

#2

US News and World Report recently ranked Luther second in the nation for percentage of students who study abroad during their college career.

82% OF STUDENTS STUDY AWAY DURING THEIR TIME AT LUTHER.

While Luther is grounded in Decorah, your gifts empower students to have global impact. Your support helps Luther keep study away accessible to students from all backgrounds as they deepen their learning around the world.
