SUPPORT

WE NEED YOUR HELP TO MAKE PARKSIDE DAY 2024 A SUCCESS.

FUTURE FOCUS FUND

The goal of the Future Focus is to help students graduate, including many seniors in danger of dropping out as additional financial barriers arise in their final semesters. Since its inception, approximately 70% of the awards to date have gone to seniors to help them complete their final semesters and graduate.

SCHOLARSHIPS

Scholarships are stepping stones of opportunity for UW-Parkside students to help them reach new heights. As scholarship recipients often say, "Thank you for believing in me." Share your belief in UW-Parkside students today.

HANDS-ON LEARNING

Hands-on experiences have a strong impact on student learning, graduation rates, and career readiness. Your support makes it possible for more UW-Parkside students to participate in study abroad, internships, faculty-guided research, collaborative project-based activities, and other "real world" opportunities.

RANGER IMPACT FUND

Your gift supports your favorite Ranger Athletics team and enhances the student-athlete experience. Together, we can foster a nationally-competitive athletics program at UW-Parkside, Wisconsin's only NCAA Division II university.
