From Wingate, N.C., Savanna Brooks has established herself as one of the nation's elite student-athletes. The first Wingate softball All-American in 17 years, Brooks was named the SAC and Southeast Region Player of the Year, while becoming Wingate's all-time homerun leader and breaking the single-season record.

Brooks was named the 2024 SAC Scholar-Athlete, while also earning first team Academic All-America accolades for the second straight year. Brooks has blasted 45 hom- ers through her first three years with the Bulldogs, driving in 176 runs to rank second in career RBI. She earned her undergraduate degree in three years with a major in Exercise Science with a 4.0 GPA.

Brooks will return to the Bulldogs next season, while working on her Masters in Sport Management at Wingate. Brooks has led the Bulldogs to their best two years in program history, with Wingate piling up 97 wins over the last two seasons and winning back-to-back SAC titles, while also hosting NCAA Regionals each of the last two years.

Savanna Brooks on Wingate: "I am from the area and when I was younger I would attend many games and camps at Wingate. I always had the dream to one day play softball as a Bulldog. The family atmosphere, friendliness of the professors, staff, and coaches, and the competitiveness of Wingate athletics is what drew me in to Wingate. Being a part of the Wingate family has been an awesome experience. I have had the privilege to play the game I love, receive a high-quality education, and make memories and friends that will last a lifetime."
