FACULTY AND STAFF CAMPAIGN

As we kick off the annual Faculty and Staff Campaign here at UWF, I want to say THANK YOU for being a leader and making your gift early. When we give back, our students benefit and our community takes notice. I know you dedicate much of your time to this University, and you have many options where to donate your time and money. You chose UWF and for that we cannot thank you enough.

Thank you for being a catalyst for change. We know you are here for the good of our people, for the good of our programs and for the good of our community.

FACULTY AND STAFF CAMPAIGN

Each year, we host our UWF Faculty and Staff Campaign, to garner support from employees like you. This year, our goal is to have all Argos On Board in support of our University, our students and our community.

The journey to future success begins today by sustaining and nurturing the people, programs and passions across our campus community. Private donations allow us to provide scholarships, emergency support for students, new resources for your classroom and new buildings for us to work, teach, learn and grow. Often, UWF donors and grant-awarding organizations are interested in the number of employees that donate to UWF because this information shows a dedication to our mission.

We hope you are inspired to donate to a UWF program, fund or initiative you are passionate about. Gifts of all sizes help us reach our goal of 50% giving from UWF faculty and staff members.

The route is charted. The crew is ready. **Are you on board?**
