GIFTS OF ALL SIZES ADD UP TO MAKE A BIG DIFFERENCE.

Nichols College educates students to capitalize on their ambitions and become impactful, forward-looking global leaders. With gifts from alumni and friends, we can continue to provide students with critical scholarship support, an experiential curriculum, and enhanced opportunities through internships, studying abroad, varsity athletics and clubs.

HERE IS WHAT YOU ACCOMPLISHED IN FUNDRAISING YEAR 2023-2024

Nichols College

"As a member of the Nichols College community for nearly two decades and now as president, I am continually inspired by our students who transform into career-ready professionals through their Nichols experience – a dynamic hands-on education within a supportive and enriching campus community. I am equally inspired by our donors who invest in these aspiring leaders and the opportunities that contribute to their success at and beyond Nichols. **With your continued generosity, we can secure a bright future for all Nichols students.**"

BECAUSE OF OUR DONORS, WE WERE ABLE TO PROVIDE AN INCREDIBLE AMOUNT OF SUPPORT FOR OUR STUDENTS IN FUND YEAR 2023-2024

Because of donors just like you,

Nichols students are:

Driven. Engaged. Determined.

“The time I have spent at Nichols has been truly transformative. The numerous opportunities presented to me extend far beyond the classroom. From attending a shark-tank style pitch alongside likeminded entrepreneurial students, to attending the Harvard Women in Business Conference. These opportunities would not have been possible had it not been for the generous donors who continue to selflessly aid us students. I was once told, ‘Nichols takes care of Nichols,’ and as I continue to grow through my Nichols journey, the truth to that statement grows clearer every day. When the day comes that I walk across the stage, I will smile with confidence because I know that I will be ready to step into the business world with assurance and ambition in my heart. We are the next generation of leaders. I look forward to giving back to future students, continuing to foster what makes Nichols so special.”
