Hi Debra,

Break out your pom poms and Lumberjack flannel—it's NAU's 100th Homecoming week! Beyond all the festivities on campus, we have another exciting thing happening this week:

Unlock the Axe of Kindness Challenge

Support one (*or more!*) of the many NAU student groups and organizations' Axe of Kindness projects to unlock $50,000 for Lumberjack students. Jeff Sears, '98 is leading the charge to inspire kindness across our Lumberjack community this historic Homecoming season with his $50,000 pledge to support student success in the School of Communication. His generous donation will be unlocked once **100 alumni** make a gift to the inspiring student-led projects.

Debra, donate to your favorite project today to help NAU students score big by unlocking Jeff's challenge this Homecoming week. Together, we can tackle their goals and turn this fundraising drive into a touchdown! 🏈

Thank you for your generosity. Go Jacks!

With gratitude,

Louie T. Lumberjack

P.S. Homecoming wouldn't be complete (or as entertaining) without our incredible Lumberjack Marching Band and NAU Dance Team. Can you help them reach their fundraising goals? View all the projects on the Axe of Kindness campaign webpage.

P.P.S. Already donated? Thank you for caring about NAU students! Consider sharing with your network and on social media with #AxeOfKindness.
