“Every year, gifted students from a wide range of backgrounds come to Oregon State University on a path to pursue their aspirations and accomplish goals. Our donors know that giving to OSU athletics is investing in a future that enables talented student athletes to achieve their potential and transform their lives. It takes all of us to help them be successful, so thank you for being a valuable member of Beaver Nation. # YOUR IMPACT

***Has there ever been a better time to be an OSU Beaver?***
***Victory starts with you, and the inspiration that you spread with your acts of generosity. Just ask some of our student-athletes like Zach Miller, Juju Barker, and Vivian Light on how your support contributes to their educational and athletic pursuits at OSU.***

*"The scholarship has meant everything to me. If I didn't have a scholarship, I'd probably be back in Australia working in a warehouse, which is what I was doing before this. So this scholarship completely changed my life, gave me a degree and the opportunity to play in front of Beaver Nation and live out my childhood dream, which would have never been possible."*

**- JOSH GREEN CLASS OF '25**

**SOCIOLOGY | ADELAIDE, AUSTRALIA**

Josh has given his time to a children hospital in El Paso, TX, and was named Academic All District.

*"We all have a lot of pride for our school, and being a Beav. Everything around Corvallis is for Oregon State, and everyone rallies around the university. It's so special, it creates a family atmosphere."*

**- JUJU BARKER CLASS OF '25**

**CHEMICAL ENGINEERING | WOODINVILLE, WA**

This past spring, Juju took her studies to the Corvallis Water Coalition as part of a cleanup inititave to create sustainability and improve water quality in the community.

*"The beauty of the school, the campus, and the people here make Oregon State special. The atmoshphere that Beaver Nation brings to games is unmatched."*
