BUCKS COUNTY COMMUNITY COLLEGE
1964

Dear <salutation>,

When you support the Bucks County Community College Foundation, you help students succeed.

At Bucks, students of all ages can receive a quality, affordable education right here in our hometown. We are proud to be the community's college. The Foundation does whatever we can to support our students but we need your help.

Your gift today can support a variety of great programs offered by the Foundation which directly assists students.

- Scholarships: In 2023 we received over 1,000 applications. The Foundation was able to award scholarships to 200 students totaling $600,000. Your gift could help provide tuition assistance for students who need financial support.

- Emergency Fund/Food Drive: Since its creation, 185 students have been awarded grants to help cover unexpected costs that interfered with their education. 30% of Bucks students experience food insecurity.

- Workforce Development: The Center for Advanced Technologies (CATs) has allowed hundreds of students to pursue an alternative education route while teaching them skills that translate to the workforce.

We ask that you please consider making a contribution to the Bucks County Community College Foundation this holiday season. Your gift to the Foundation today, helps Bucks students tomorrow.

Most sincerely,

Andrew States
