U Asia Campus Donor Wall

To honor our donors, we have designed a Donor Wall in the 1st-floor lobby of the U Asia Campus. To honor and acknowledge the invaluable contributions of our supporters, the Donor Wall will recognize several contribution levels. Each level represents a significant milestone in our mission, and if you are able, we invite you to include your name on the wall at one of these levels:

- $1,000 ~ $4,999
- $5,000 ~ $9,999
- $10,000 ~ $14,999
- $15,000 +

Names will be carved on a wood plank that corresponds to each level and displayed on the Donor Wall.

The University of Utah Asia Campus recently celebrated its 10th anniversary from September 26 to 28. A heartfelt thank you to our faculty, staff, students, and community members for joining us in marking this significant milestone. Here are some highlights from the festivities:

Dear Rachel Robertson,

Please accept our deepest gratitude for your presence and contribution to the tremendous success of last week's **University of Utah Asia Campus 10th Anniversary celebrations.**

From Thursday's festive Carnival kick-off, which saw over 2,200 guests, to Saturday's elegant Gala, which played host to nearly 600, all three days of Anniversary events proved to be a spectacular tribute to our U community.

This event was a reminder that our collective success is the product of thousands of individual contributions. We thank *you* for playing an important part in our campus's history and invite you to stay connected with our community as we build the future together.

As we enter our second decade, we are dedicated to providing our unique U Asia Campus experience to as many deserving students as we can. That's why—if you haven't already—we invite you to **contribute to the 10th Anniversary Giving Campaign.**

Your gift will support scholarships, programming, and a rich academic experience for even more UAC students. **Hear what it means to our students** to receive financial support from contributors like you.
