"Fairfield University's continued incredible progress would not be possible without the support of Stag families like you. Contributing to the University through donations is a vital way to create new opportunities for scholarships, research, and campus improvements. It's also a way to celebrate and uplift our student's home away from home.

We invite you to participate in the 2024 Parents & Family Challenge with us. Every gift matters, and it's remarkable to see the impact we all make together.

Thank you and go Stags!"

Frank and Missy Nigro, P'27,'25
Co-Chairs,
