McMaster University | Brighter World

Dear [First Name],

It's been nearly a year since your generous gift to the ##Last Allocation##, and the impact of your support continues to be felt. Thank you for empowering future leaders and enriching their McMaster experience.

As we approach the anniversary of your last gift, will you renew your support?

Together, let's continue to show students and researchers the strength of the McMaster community.

With gratitude,

Lori Maulden '06
