Subject: Small Steps, Big Impact—Make a Monthly Gift 🎁

Dear Meaghan & Eric,

Remember folder papers at Calvert? From mastering Calvert Script in the Seventh Age to entering Middle School with a sense of pride and purpose, folder papers taught us the value of consistent effort.

Monthly giving works the same way: small, steady contributions that add up to something extraordinary. A recurring gift to the Calvert Fund supports the programs, resources, and experiences that make Calvert exceptional. Consider how your monthly gift could make an immediate impact:

- **$5/month** ($60 annually): Provides ribbons for Lower School Track & Field Day.
- **$10/month** ($120 annually): Supplies safety goggles for Middle School science classes.
- **$15/month** ($180 annually): Purchases fresh paintbrushes for Lower School art classes.
- **$21/month** ($252 annually): Provides writing journals for an entire grade level *and* welcomes you to the Young Alumni Leadership Society!

Monthly giving is easy to set up, budget-friendly, and makes a big difference—just like folder papers taught us, small steps lead to big achievements. Click here to give now.

Join me in making an impact, one month at a time, and help provide the tools and traditions that shaped us for the next generation of Calvert students.

With gratitude,

Elizabeth R. Paal Goss

Elizabeth Paal Goss '99

President, Alumni Board of Governors

P.S. Your recurring gift builds the foundation for Calvert's success—just like those folder papers! Become a monthly donor today.
