Philanthropy Week Tabling

Hey SPC! Thank you so much for volunteering your time to help raise funds on Founders Day! Below, you will find instructions on how to solicit a gift and additional details on what we are doing!

THE FACTS:

Senior Class Gift: A senior class gift is a donation made by graduating seniors to their alma mater as a way of giving back and supporting future students. This contribution, no matter how big or small, can make a significant difference in the lives of those who follow in our footsteps.

Goal: Any amount that we raise from however many seniors will make a great impact. To date, 145 seniors have contributed to the Senior Class Gift Campaign. We are 44.62% of the way to our goal of 50% participation! Let's aim to break our record of donors in a day and get 61 seniors to contribute! If we get 61 Seniors to contribute on Founders Day that means we will have the same participation rate as the class of 2024 did! **You can do it!**

TABLE SETUP:

- Student Philanthropy Council drape should be draped perpendicular to the table so hangs off the front and back of the table
- Set out the flier stands, swag, and most importantly, PHILANTHROPY CORDS and PINT GLASSES

THE LOGISTICS:

- When a student stops by the table, be friendly! Ask them if they are a senior and if they are interested in giving to the Senior Class Gift. Non-seniors can give to the senior class gift too, but seniors are our target audience!
- Any senior who gives at our table will get a button or sticker.
    - **Remember giving levels and benefits (Seniors Only):**
        - Red Feather Society: Give $18.87 today and pledge to give $18.87 each year for the next 5 years. Benefits include a graduation cord, a class button, and access to any of our tabling treats and donor appreciation events, including a discount on the Cardinal Weekend Pregame Tent Party.
        - A one-time donation of $20.25 or more. Benefits include a cord and access to any tabling treats from SPC.
        - A one-time donation of $5 to $20.24. Benefits include tabling treats.

- Seniors will be stopping by to pick up cords that have already given. Please make sure we check them off on the spreadsheet.

HOW TO RECEIVE A DONATION:

Questions? Email Julia or Michele. Urgent questions? Text Michele. She will be popping by your table periodically to help out!

Philanthropy Week Tabling

Hey SPC! Thank you so much for volunteering your time to help raise funds on Founders Day! Below, you will find instructions on how to solicit a gift and additional details on what we are doing!

- Have your spreadsheet ready to go! Please use the first tab and fill in the highlighted columns.
- To any senior who gives $20.25 or more, recognize their philanthropy with a graduation cord! If they give $18.87 but also pledge to continue to give in future years they may receive a cord as a thank you as well.

Donors and Donuts:

- Tables 1 & 2: Main Pryz Lobby
- Students will receive a free donut if they write a thank you card to a donor.
- Secondarily, if seniors come up to donate to their class gift, we are accepting those as well.

Founder's Day:

- Prize Wheel and Trivia: We will be holding trivia to win prizes while we are tabling. You can find the trivia Q&A sheet here.
- Bobbleheads: When people bring in Bobbleheads check the number on the bobblehead .
